

Order of Books

1. *On The Edge*
2. *The President*
3. *Enemy In The Room*
4. *Nation On The Edge*

While each novel has its own stand-alone story threads, and they can be read in any order, several key characters do repeat across all four books.

In *Nation On The Edge*, most of the characters from *On The Edge* repeat, only they are twenty-five years older.
